About The Project

“Humans of Shi Yuan” is a storytelling project that shares the stories of 34 students, teachers, and staff in our community.

Through conversations and interviews, students learned more about each other’s interests, dreams, and experiences. Students also interviewed teachers and other members of the school to learn more about their lives and passions. Each story shows that everyone has something meaningful to share.

“Humans of Shi Yuan”

Daily English Class

This project was inspired by “Humans of New York” and “Humans of Penn”, two storytelling projects that share real stories from everyday people.

“Humans of Shi Yuan” was started by Teacher Amanda, who created a similar project at her university in the United States. While studying there, she interviewed students and community members to learn about their experiences, challenges, and personal stories. She saw how storytelling helped people feel heard and more connected to one another.

By bringing this idea to Shi Yuan High School, Teacher Amanda hopes to create a space where students can practice English in a meaningful way while learning about the people around them.

***“Trying something new was challenging,
but through it, I found community.***

Taiwan now feels like home.”

However, living in Taiwan has been a wonderful and special experience for her. From quiet moments to busy streets, she likes discovering new places and learning about local traditions. At Shi Yuan, she has found a lot of community. In the classroom, she enjoys spending helping her students feel more confident when speaking English. Every day brings new conversations and moments that make teaching meaningful.

Amanda has also found community through her hobbies. She loves storytelling and shares stories through writing, making videos, and taking photos. This year, she started pottery and found a studio in Taichung, where she's made new friends and learned to enjoy the process of making mistakes. She also likes to run when she needs energy or needs to clear her mind. She is now training for a half marathon in January. Being far from home was not easy at first, but each new experience has helped her grow more confident and has made Taiwan feel like home.

For Amanda, teaching in Taiwan is more than just a job. It is a time to learn, grow, and connect with others. At Shi Yuan, she hopes to continue sharing stories, learning from her students, and making memories that will stay with her for a long time.

Amanda is an English teacher at Shi Yuan High School. She is from the United States and grew up in New York City. She recently graduated from the University of Pennsylvania, where she studied finance and fine arts.

After graduation, she decided to come to Taiwan to teach English and try something new. At first, she felt scared to move so far from home and start a new life in a different country.

LULU

Lulu has taught English at Shi Yuan High School for more than 20 years. Even after so many years, she still brings warm energy into her classroom every day and is an amazing teacher.

Lulu actually did not plan to become a teacher at first. However, when she began working as a substitute teacher, she realized she was good at teaching and felt proud when her students improved. She enjoyed building close relationships with them and watching their confidence grow. This experience motivated her to become a full-time teacher. She studied hard, passed the teaching exams, and later earned a master's degree in England.

Lulu loves living in Taiwan and believes that Taiwan's indigenous culture, diverse religions, and deep-rooted traditions are important parts of the country's identity. She enjoys hearing different languages on the MRT and eating at night markets. Her favorite food is stinky tofu!

I asked Lulu if she had to use one word to describe Taiwan, what her response would be. She said **love**. To her, Taiwan is a place where people care for each other, no matter where they come from.

Principal Liu has worked at Shi Yuan for three years. He was a teacher before at Taichung Second Senior High School. He believes that being a principal is different from being a teacher because he has different responsibilities and expectations for himself. He ended up in the position of principal. Being a teacher primarily involves education, but the principal is the head of family. When teachers are teaching on the front lines, the principal will provide excellent resources and create a good environment.

Principal Liu Zhourong isn't used to organizing many ceremonies and meetings to attend, but he enjoys it. He says that Shi Yuan students are quite well-behaved and fairly focused in class. Furthermore, they cooperate well with teachers in various activities, which helps create a harmonious school atmosphere. When students and teachers perform well, not just academically but also in various competitions and daily activities, it helps the school earn recognition. Principal Liu Zhourong enjoys his job. It brings him spiritual satisfaction seeing the kids happily going to school everyday and keeps him moving forward.

“I hope to guide my students in their future”

Teacher Cindy is an intern teacher in Shi yuan high school. She started working here three months ago. Teacher Cindy was also a student at Shi Yuan. The teachers here are very important figures in her life, and the school atmosphere is very warm and welcoming. Teacher Cindy wants to become a teacher because she enjoys interacting with people and loves the feeling of being on the stage. What she enjoys most is coming up with fun activities that are different from regular teaching for students to play as well as the process of interacting with them.

However, she also mentioned that the most challenging part of teaching is figuring out what students may not understand and guiding students. This made us realize that teaching isn't just about delivering knowledge but also helping students truly understand. To solve this problem, teacher Cindy believes that to become a teacher the most important thing is “patience”. Teacher Cindy hopes to become someone who can influence her students and help them in their lives. She also hopes that through learning geography, students can better understand the world. She hopes to be an influential figure for her students.

“TRYING IS THE ONLY WAY TO FIND YOURSELF”

Elsa is an art teacher of Shi Yuan. She has worked here for 25 years.

However she didn't study art in college, she actually studied philosophy. The philosophy courses gave her freedom, and this sense of freedom planted the most important seed in her life: MARATHONS.

She has run over 100 marathons in her life. Surprisingly, it didn't start because she liked running. When she was younger, she got injured while trying snake boarding, fractured her leg, had metal pins inserted and later removed, and needed rehab. The doctor advised walking or jogging. At first, it was boring, so she set a goal: run a half marathon on her birthday month.

She trained weekly, and after finishing, she realized she could do it. Unexpectedly, she enjoyed running.

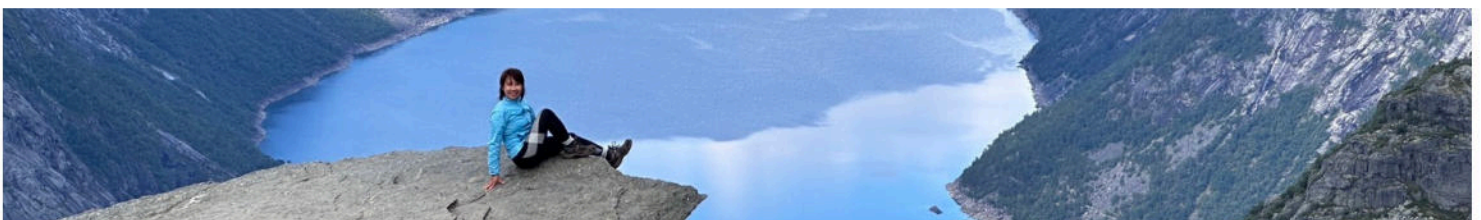

At first, a marathon to her was just rehab, then a hobby. Now, it is a lifestyle, and a part of her life. Elsa runs 2-3 times a week, normally 6-7 km. Races feel like rituals and tests.

Running also helps her build discipline and perseverance. It's not a race about speed, but a journey to be completed slowly. Every step has meaning. Sometimes it is painful, sometimes boring, sometimes peaceful, but she never stops. A marathon is not about how fast others run, but whether you're willing to keep moving forward.

After finishing her races in Taiwan, she wants to combine running with travel and experience cities through running.

She believes: "don't be afraid to start, and don't think you can't do something unless you try. Some passions you don't know yet. However, if you take the first step, the world will give you the answers."

Coach Chang-Liao has been coaching at Shi Yuan for nine years. He has loved baseball since he was young. As a kid he joined teams and camps, and he always dreamed of becoming a baseball player. As a student, he practiced at 6 a.m. and again in the afternoon, showing strong effort and dedication.

Once, while defending, a runner kicked his shin. It hurt so much that he thought it was broken, but luckily it was only bruised.

His coaching idea is to lead by example and he believes that attitude matters most. He shares this belief with Shi Yuan students most and by “attitude”, he means working hard and giving your best. He shares this idea with students, and told us that “your attitude determines your direction.”

Simon (沈中祥)

by Amelia and Doris

Simon is a janitor at Shi Yuan high school. After he retired, he wanted to do work that he enjoys, and this job offered a relatively flexible work environment. The work itself is also something he's interested in.

Before he came to Shi Yuan, he worked in a trading company for 2 years, then he went to America for 10 years. Afterward, he came back to Taiwan and worked in hotels for 25 years. After retiring, he worked as a volunteer in school and also as a traffic guide. At last, he came to Shi Yuan and has worked here for 2 years. The main tasks here are tending to flowers, plants and trees. Since coming here, he turned the first floor into a beautiful garden. His other hobbies are gardening and baking. Because he's close to class 601, he sometimes bakes cookies or cakes for them. He also takes gardening classes during his free time.

He wants to buy a piece of land in the future, and plant all kinds of trees, flowers and fruit. He also wants to raise animals like ducks and chicken.

He believes that he is a person who knows how to seize opportunities and cherish every moment. He encourages students to find their interests and cherish the present.

"FOCUS ON IMPROVING YOUR SKILLS AND SEIZING EVERY OPPORTUNITY. IT WILL BE VERY HELPFUL FOR YOUR FUTURE."

Martin 莊馥境

Teacher Martin is a homeroom teacher and English teacher. He has been teaching English for over 20 years. His mom encouraged him to be a teacher, so he chose to study in the English department, which required the highest entrance scores. He chose to work at Shi-Yuan high school because it's closer to his hometown, Chaiyi. He can go home quickly if something happens at home.

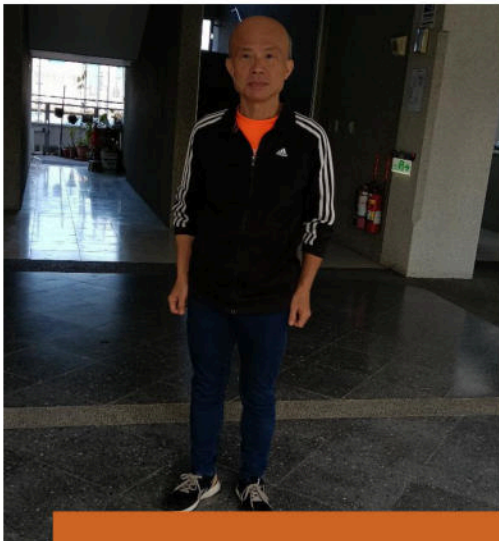

At first, when he taught in Shi-Yuan, he found out he taught too fast and students couldn't catch up and understand what he was teaching. It took him a few weeks to find a suitable class pace. As a teacher, he thinks the most fulfilling part isn't students' grades, but their "character". For example, greeting teachers when you see them and being nice to others are very important. Teacher Martin always said "don't rush to choose a career, just prepare yourself for the future first by learning. Fighting"

Mr. Tu is from Yangmei, Taoyuan. He has loved history since he was a child and always wanted to become a teacher. Although he didn't get into a teacher training college in high school, he studied hard afterward and eventually passed the exam to enter one. He is a teacher at Shi Yuan High School and has been teaching there for 25 years.

He really is a serious teacher!

He wanted to be a teacher because he believed teachers deserve respect. He chose to become a history teacher because he has a deep passion for the subject. However, things do not always go smoothly. Some students have little interest in history because of the education system. Even though he tries his best to make the lessons lively and engaging, it can still be difficult at times.

Despite these challenges, he has no regrets. He said that hindsight is priceless, but in this world, there is no such thing as regret or no regret. Another reason he continues teaching is that exploring the stories behind historical events excites him far more than simply accepting other people's conclusions.

Do you think being a nurse is easy? No!
The nurse in Shi-Yuan, Wen Xuan Wu,
said that it is very difficult.

Before becoming a nurse in school, you
have to do a four year internship in the
hospital.

Many things are different from those in
books. From textbooks to real people,
the pressure suddenly becomes greater.

After the four year internship in the
hospital, she chose to be a school nurse
at Shi-Yuan because it is close to her
house and she wanted to be near her
children and family.

**“Even if this road is difficult,
you can’t give up”**

After becoming a school nurse, she thought she would sit in the office to help the students look at wounds. However, the job turned out to be harder than she thought. In a hospital, there are doctors and medical instruments, but in a school, there are only nurses. When the students get injured, she has to take responsibility and apologize constantly.

After working in Shi-Yuan for 2 years, she has had a lot of unforgettable experiences. For example, during a basketball game, a student fell, sprained his foot, and twisted it 180 degrees. Later, she called an ambulance, which was very scary.

When she is under a lot of pressure, she will eat to release stress and tell herself to stick with it. She also will go out to relax with friends in the same field.

However, there are also things that make her happy at Shi-Yuan. She gets along with everyone and meets very different students through her job.

In Shi Yuan high school, there is a librarian, Mr. Zhang, who has been working there for almost six years. He started working at the library in Shi Yuan because he could read books and also liked the environment there. He is responsible for book cataloging, book shelving, cleaning and tidying the library, and supervising library volunteers.

In his work, the part he enjoys the most is answering the readers' questions because he is happy to see students come to borrow books. However, compared to before, fewer and fewer students borrow books now. Previously, there would be twenty to thirty students borrowing books during a break time, but now only one or two do.

If he could say one thing to the students who don't go to the library often, he would say the library is like a forest which is worth exploring and full of knowledge. If you want to learn anything, you can come to the library.

Ms.Zhang is the head of special education at Shi Yuan. She has worked here for 21 years. She was influenced by her older sister because her older sister is also an education teacher. When she had just graduated from university, the lack of special education teachers in the education environment inspired her to become a special education teacher.

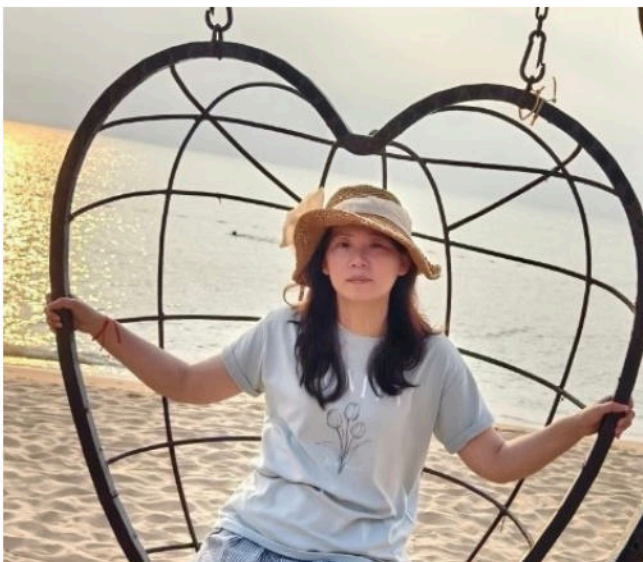

Her work is different from teaching regular studies because students need special care. The content of the student's lessons needs to be specially adjusted by the special education teachers. For example, special education teachers change the class plan to fit the students' level and speed.

Even though Taiwan's general environment and Ministry of Education supports inclusive education, it is still hard for special education teachers to teach. Recently, students have been a bit hard to help. It makes her feel a little tired, but she will keep going. Her most memorable experience as a special education teacher was when some students hid in the toilets to avoid class. She had to search every restroom. As a female teacher, she sometimes even had to enter the men's room to talk to them. Now, she knows all the restrooms at Shi Yuan!

"I want to be an engineer because I want to make a lot of money"

Inside this math classroom sitting with students from a private elite school of international students. When he was in JUNIOR High school, his parents had him to register in a private school in the USA. His parents had him to study a lot of science there. He thought that was the way to make a lot of money. So, he went to a private school. He was a good student, but his qualifications as engineers were not good. He was called math geek. He also thinks that engineers through having an engineering education was not a good thing. He was not an engineer. I asked him, "Do you think that engineers are engineers when you don't go to school?" He said, "No, you have to go to school to be an engineer. Because I can make money from my 'Real' knowledge. Because I can make money from my 'Real' knowledge. Why do you people want to go to the USA?" He said, "I want to go there because they have the highest salary that I can get in the USA. Both engineers and non-engineers are rich there. I want to be an engineer. So, if you want to be an engineer, then you should go to school."

“Badminton is my best friend”

Turtle林意城 by Jerry

Turtle is my friend, he is a cool boy, and his favorite sport is badminton. He loves it a lot.

Why is his favorite sport badminton? Because he doesn't like the other sports as much.

Badminton is special to him. He first played badminton in elementary club and he had to pay a little money to join this club. He enjoyed it a lot.

When he plays badminton in the club, he is very happy every time. He loves badminton and plays badminton games three times a week. Once, when he was playing a badminton game, he was hit by his partner. Then, his toe became red and started swelling. He was confused and felt his blood boiling. However, he recovered quickly.

What does badminton mean to Turtle? He told me that it lets his body become better. It also allows him to feel very free. This is his favorite sport and in his life, it is his best friend. It is indispensable to Turtle.

Nana's favorite hobby is listening to music. She likes rock music, and one of her favorite bands is a Swedish band named "Ghost". Her favorite song from them is "Mary on a cross". When she listens to it, she feels very excited. It also helps her release stress.

She started listening to music in sixth grade at primary school because her English teacher liked to listen to music. Her teacher sometimes played music for them in the class. Listening to rock music made her love music even more. Now, she listens to music almost every day, whether she is studying, walking, or just relaxing at home. For Nana, music is not only a hobby but also a way to express herself and find peace. She believes that music can connect people and make life more colorful and meaningful. She hopes that one day "Ghost" will have the chance to perform in Taiwan.

Steven is a perfectionist, he always thinks "How can I do it better?" whenever he draws and practices soccer.

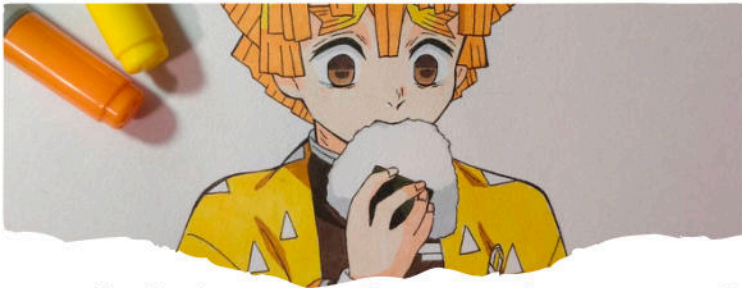

Because of his perfectionism, he hopes to do everything perfectly even if it's not just his own task. When he was a junior high school student, one day, he had to do a group report with his classmates, but he felt other members were doing things too slowly and imperfectly, so he did everything himself.

He felt so tired, but he didn't know how to communicate with them, so he kept doing it until one day his group member asked him why he always does things by himself. However, he just wanted to do the work better, but didn't know how to tell them.

They told him that he needed to communicate with them and let them do the other parts. In the end, he realized that being a perfectionist doesn't mean he has to do everything by himself. Instead, it means that he needs to learn how to work with other people.

Amelia's favorite thing is drawing. She started to learn how to draw about two years ago. She started to draw because she watched anime and she wanted to draw characters she likes. She practices drawing on YouTube and Instagram. Her favorite YouTuber is @yuyuharu_art because she likes her style. When she draw, she tries to draw very close to the original picture. After she finishes her drawings, she feels very accomplished. While she draws, she feels very relaxed and enjoys it very much. She thinks this is important because the academic pressure at school is heavy and this is one of the few things that can help her relax. Amelia thinks school may only focus on academics, so it is important to find a hobby that you like. She thinks hobbies can not only help people relieve stress, but also allows people to relax a little. Being relaxed can also help people focus more on their studies.

Eason likes math because solving math problems gives him a great sense of accomplishment. When he was in junior high school, he wanted to become an engineer and work in the USA in the future because he believed that he can make a lot of money there.

He thought that if he studied hard and got into a good university, he would become an engineer much more easily. So, he studied math hard. Even though being an engineer is brain-consuming and very tiring, he still wants to be an engineer. I asked him if there's another job he would want to do other than being an engineer. Eason said he would also become a lawyer because he is also interested in law. Becoming an engineer and lawyer are both difficult to do and need a lot of effort. So, if you want to achieve your dream, you must work hard.

Alice's favorite hobby is watching anime. Her favorite anime is "Chainsaw Man". To show her love for the anime, she cosplayed as her favorite character, REZE, at an exhibition call CWT this year. REZE is a beautiful girl with purple hair and green eyes. Alice likes REZE because she thinks the character is very cute and has a lively personality.

Of course, things will not be very successful the first time you try to do something. She couldn't cut the wig very well. Also, because it was the first time she was cosplaying, she didn't have many props to use either. However, this difficulty didn't bar her from doing what she likes.

She learned how to do the cosplay better to look more like the character. Fortunately, it ended up very smooth and she looked very similar to REZE. After she finished her first cosplay, she felt tired but had a sense of accomplishment. She learned from the experience and hopes to do better next time.

Doris's hobby is watching anime and playing video games. She started to watch anime when she was in junior high school. When she watches anime or plays video games, she feels stimulated and excited.

Her favorite anime is "Haikyuu" and favorite game is "Love And Deep Space" because of their wonderful plots. After she watched Haikyuu, she said she would like to try playing volleyball! Since she likes this anime so much and started playing this game, she buys the products and spends about 1,000 dollars each time she goes to a pop-up store. If the anime she likes becomes a movie, she would definitely go watch it because the cinema screen is large and can give her a very immersive feeling. Anime and video games are really important to Doris, they help her feel better when she is in bad mood. They are indispensable in her life.

As school nowadays only focuses on academics, I think it's important to find your own interests. Hobbies can help you release stress and provide motivation to move forward.

Alice's favorite hobby is drawing. She has been drawing since she was very young, but she started to seriously study art in the third grade of junior high school. She started because she wanted to draw her favorite anime character. She thinks the most difficult part of drawing is sketching. The way she learns how to draw is by watching a lot of videos about drawing and doing a lot of practice. She puts in a lot of work just to be able to draw a satisfactory painting.

Although it was hard at first, she kept practicing to improve her drawing skills. When she finally finished a work, she felt accomplished and happy. Although she doesn't have a favorite work yet, she's sure she'll be able to create one in the future if she keeps working hard. Learning something from scratch is difficult, but she didn't give up and kept practicing. Now, she is great at it.

Jane is a cool girl. She has many hobbies like dancing, reading, and exercising. But the most special thing to her is learning Taiwanese.

She recently participated in a Taiwanese language contest.

At home, Jane's parents usually speak in Taiwanese because they think Taiwanese culture is important and don't want it to disappear. Gradually, Jane's Taiwanese has improved more and more.

In the third year of elementary school, her Taiwanese teacher asked her if she wanted to participate in a Taiwanese language competition. She agreed, and it has been 7 years since her first competition. The competition focuses on Taiwanese pronunciation and form.

The practice process was very tough because pronunciation and form covers everything. The only way to practice is to do many exercises to improve vocabulary.

"Hard work pays off"

Her hard work paid off, Jane won 1st place in Taichung City four times, and won 1st place in the whole country three times. From elementary school to high school, she learned a lot and had many unforgettable memories. For example, because she always had to go to the training camp, she was usually not in school. This forced her to make better use of her limited time. Most importantly, participating in these competitions taught her that hard work pays off. She is very grateful for and cherishes these wonderful memories.

LEU LEU

Leu has taught English at his home in Hsinchu for more than 20 years. Last year he was invited to teach English as a volunteer teacher at the University of Chicago.

Leu actually did not aim to become a teacher at first. He wanted to pursue something as a researcher. He studied in the top level of Tsinghua University, and then he worked in a research department. His original heading to work in the United States was to continue his collaboration with this research department. This might have been a good idea, except for a little twist. The situation never passed the interview stage.

Leu then decided to teach English in Taiwan and believes that Taiwan's education system, especially in English, and that research in the field of English education is still very good. He has a great network; his friends had to lobby hard.

I started Leu as one who has been a volunteer for 20 years. He is now a teacher at the University of Chicago. He is a Chinese teacher mostly going to teach each other, so neither of them could take the class.

ABOUT THE PROJECT

「Humans of 西苑」是一個說故事的計畫，分享校園中 34 位學生、老師與教職員的真實故事。透過對話與訪談，學生們更加了解彼此的興趣、夢想與生活經驗。學生們也訪問了老師以及校內其他成員，進一步認識他們的人生故事與熱情所在。每一個故事都展現出：每個人都有值得被分享、被聆聽的意義。這個計畫的靈感來自「Humans of New York」與「Humans of Penn」這兩個說故事專案，它們記錄並分享日常生活中真實人物的故事。「Humans of 西苑」由 Amanda 老師發起。她曾在美國就讀大學期間創立過一個類似的專案，透過訪談學生與社區成員，了解他們的經歷、挑戰與個人故事。她親眼看見說故事如何幫助人們被理解，並拉近彼此之間的距離。將這個計畫帶到西苑高中後，Amanda 老師希望能打造一個空間，讓學生在有意義的情境中練習英文，同時也能更深入地認識身邊的人，建立更緊密的校園連結。

AMANDA

Amanda 是西苑高中的英文老師。她來自美國，成長於紐約市。她最近畢業於賓州大學，主修財務與美術。畢業後，Amanda 決定來到台灣教英文，嘗試一段全新的生活。一開始，離開家鄉、到一個陌生的國家生活讓她感到害怕與不安。然而，住在台灣的日子對她來說成了一段美好而特別的經驗。從安靜的日常時刻到熱鬧的城市街道，她喜歡探索新地方，也享受學習當地文化與傳統。在西苑高中，她找到了強烈的歸屬感。在課堂中，她最享受的事情之一，就是幫助學生建立開口說英文的自信。每天的教學中，總會出現新的對話與溫暖的小時刻，讓教書這件事變得格外有意義。除了教學之外，Amanda 也透過自己的興趣找到了社群與連結。她熱愛說故事，並透過寫作、拍影片和攝影來分享生活。今年，她開始學習陶藝，在台中找到了一間陶藝工作室，在那裡結交了新朋友，也學會享受犯錯與創作的過程。當她需要補充能量或整理思緒時，也喜歡跑步。她目前正為一月的半程馬拉松做準備。雖然一開始離家生活並不容易，但每一次新的體驗都讓她變得更加自信，也讓台灣逐漸成為她心中的第二個家。對 Amanda 來說，在台灣教書不只是一份工作，而是一段學習、成長與與人連結的旅程。在西苑高中，她希望能持續分享故事、向學生學習，並創造許多能長久留在心中的回憶。

LULU

Lulu 在西苑高中任教英文已超過二十年。即使教書多年，她每天仍然帶著溫暖的能量走進教室，是一位非常出色的老師。其實，Lulu 一開始並沒有打算成為老師。然而，當她開始擔任代課老師時，她發現自己很擅長教學，並且在看到學生進步時感到非常驕傲。她享受與學生建立親密的關係，也喜歡看著他們的自信心逐漸成長。這段經驗讓她決定成為一名全職教師。之後，她努力準備考試，通過教師甄試，並到英國取得碩士學位。Lulu 很喜歡在台灣生活，並且相信台灣的原住民文化、多元的宗教信仰，以及深厚的傳統，都是這個國家重要的身分與特色。她喜歡在捷運上聽到各種不同的語言，也喜歡逛夜市。她最喜歡的食物是臭豆腐！我問 Lulu，如果只能用一個字來形容台灣，她會怎麼說。她回答：「愛」。對她而言，台灣是一個人們彼此關心、不論來自哪裡都能被接納的地方。

劉洲溶

校長的名字是劉洲溶，他在西苑工作了三年。之前也曾在台中二中任教。他認為擔任校長的意義非凡。當校長與當老師不同，因為他肩負著不同的責任和期望。他覺得當老師主要從事著教育工作，而校長則是學校的領導者。當老師們在第一線教學時，校長會提供優質的資源並創造良好的環境。校長需要出席各種儀式和會議，但他蠻喜歡的。他說，西苑的學生們行為良好上課也很專注。此外，學生們在各種合作中都與老師合作融洽，這有助於營造和諧的校園氛圍。學生和老師不僅在學業上表現出色，在各種比賽和日常活動中也是如此。這有助於學校贏得聲譽。校長很喜歡他的工作，每天看到孩子們快樂地去上學，他感到精神上的滿足，不想放棄這份工作。

謝伯娟

Cindy老師是西苑的實習老師。她是三個月前開始在這裡工作的。Cindy老師也曾是西苑的學生。西苑的老師是她生活中非常重要的人，而且學校氛圍非常熱情、有愛，所以她選擇回到這裡教書。Cindy老師想成為一名教師是因為她喜歡與人互動，喜歡在臺上的感覺。在她實習的三個月她最喜歡的是想出有趣的、與一般教學不同的活動還有和學生互動。然而，她還提到，教學中最具挑戰性的部分是弄清楚學生可能不理解的東西並指導學生。這讓我們意識到，教學不僅僅是傳遞知識，也是幫助學生理解。為了解決這個問題，Cindy老師認為，成為一名教師最重要的是「耐心」。Cindy老師希望成為一位能夠影響學生人生中抉擇的老師。她還希望透過學習地理，學生能夠更好地瞭解世界。

廖文蕙

廖文蕙 是西苑的美術老師。她在這裡工作了 25 年，然而她大學讀的並不是藝術，實際上她修讀的是哲學。哲學課程賦予了她自由，而這種自由感在她生命中播下了最重要的種子：馬拉松。她一生中跑過超過 100 場馬拉松。令人驚訝的是，這一切並非始於她熱愛跑步。年輕時，她在嘗試玩蛇板時受傷導致腿部骨折，體內植入了金屬釘（後來已取出）並需要進行復健。醫生建議她散步或慢跑。起初這很枯燥，於是她設定了一個目標：在生日月份跑一場半程馬拉松。她每週訓練，完賽後她意識到自己做得到—並且出乎意料地，她愛上了跑步。起初，馬拉松對她來說只是復健，後來變成了愛好。現在，這是一種生活方式，也是她生命的一部分。她每週跑 2-3 次，通常是 6-7 公里。比賽對她而言像是儀式和測試。跑步也幫助她建立自律與毅力。這不是一場關於速度的競賽，而是一段慢慢完成的旅程。每一步都有意義—有時痛苦、有時乏味、有時平靜—但它從未停止。馬拉松不在於別人跑得多快，而在於你是否願意持續前進。在完成台灣的賽事後，她想將跑步與旅遊結合，透過跑步來體驗城市。她相信：「不要害怕開始，也不要還沒嘗試就認為自己做不到。有些熱情是你還不知道的——但如果你踏出第一步，世界會給你答案。」嘗試，是找到自我的唯一途徑。

張廖年哲	張廖教練在西苑擔任棒球教練已經九年了。他從小就熱愛棒球，童年時期便參加各種球隊與訓練營，並一直夢想成為一名棒球選手。學生時代的他每天清晨六點就開始練習，下午還會再練一次，展現出極大的努力與投入。有一次在防守時，他被跑者踢到小腿脛骨，疼痛難耐，一度以為骨折，所幸最後只是嚴重瘀傷。在教學理念上，他主張以身作則，並認為「態度」是最重要的。他常將這樣的信念分享給西苑的學生，而他所說的態度，指的是願意努力、全力以赴。他也常告訴學生：「你的態度，決定你的方向。」
沈中祥	Simon是西苑高中的工友。他退休之後，他想做一份自己能享受在其中的工作，這份工作提供相對有彈性的工作環境。工作本身也是他有興趣的。在他來到西苑之前，他在貿易公司上班兩年，然後他去美國生活了十年，後來他回到台灣，在飯店工作了二十五年。退休後，他擔任學校的導護志工。最後，他來到西苑，目前已經在這裡工作了兩年。這裡主要的工作是照護花草樹木。自從來到這裡，他把一樓變成了一個漂亮的花園。他的興趣是園藝和烘焙，因為他和601很親近，他有時候會烤餅乾或蛋糕分享給他們。在空閒時間，他也會去上園藝課程。他希望在未來可以買一塊地，在那種植各種樹木、花草、水果。他還想要飼養雞、鴨等動物。他認為自己是個懂得把握機會、珍惜每一刻的人。他鼓勵學生找到自己的興趣，並珍惜當下。
莊馥境	馬丁老師是一位班導兼英語老師，任教超過20年。由於母親的鼓勵，他立志成為一名教師，並選擇了入學分數最高的英語專業，以免浪費自己的成績。他選擇在西苑高中任教，因為這裡離他的家鄉—嘉義比較近，如果家裡有什麼事，他可以很快回家。剛開始在西苑高中教書時，他發現自己講課速度太快，學生跟不上、也聽不懂。他花了幾個星期才找到合適的教學節奏。身為教師，他認為最有成就感的不是學生的成績，而是他們的「品格」。例如，見到老師要主動問好，待人友善。馬丁老師常說：「不要急於設定以後的職業，先做好準備。加油！」
涂錦城	涂先生來自桃園市楊梅區，從小就熱愛歷史，一直立志成為一名老師。雖然他在高中時未能考上師範院校，但之後仍然努力讀書，最終順利通過考試進入師範體系就讀。現在他任教於西苑高中，至今已在該校教書二十五年。他之所以想成為老師，是因為他相信老師是一個值得被尊敬的職業。他選擇成為歷史老師，正是因為他對這門學科有著深厚的熱情。然而，事情並不總是一帆風順，由於教育制度的關係，有些學生對歷史幾乎沒有興趣。即使他盡力讓課堂變得生動有趣，有時仍然會感到困難。儘管面臨這些挑戰，他依然毫無後悔。他表示，事後回顧固然珍貴，但在這個世界上，其實並不存在所謂的後悔或不後悔。另一個讓他持續教書的原因，是他覺得探索歷史事件背後的故事，比單純接受他人得出的結論更令他感到興奮與著迷。

吳雯萱

你覺得當護士很容易嗎？不！西苑的護士吳雯萱說，這非常困難。在成為學校護士之前，你必須在醫院進行為期四年的實習。很多事情都和書上寫的不一樣。從教科書到真人，壓力突然變大了。在醫院完成為期一年的實習後，她選擇在西苑擔任護士，因為這所學校離她家很近。她想待在孩子和家人身邊。成為學校護士後，她以為自己會坐在辦公室幫學生檢查傷口。醫院裡有醫生和醫療器械，但學校裡只有護士，當學生受傷時，她必須承擔責任並不斷道歉。在西苑工作兩年後，她有許多難忘的經驗。例如，在一次籃球比賽中，一名學生摔倒扭傷了腳，腳踝扭轉了180度。後來，她叫了救護車，場面非常嚇人。當她承受很大壓力時，她會透過吃東西來釋放壓力，並告訴自己要堅持下去；她也會和同領域的朋友出去放鬆。然而，在西苑也有一些讓她感到快樂的事：她可以每個人相處融洽，並發現不同學生的特質。“名言佳句”即使這條路很艱難，你也不能放棄。

張家豪

在西苑高中，有一位任職將近六年的圖書館員——張先生。他之所以選擇在西苑中學圖書館工作，是因為他喜歡讀書，也喜歡那裡的環境。他負責圖書編目、上架、清潔整理以及管理圖書館志工。工作中，他最喜歡的部分是解答讀者的疑問，看到學生們來借書，他也會感到很開心。然而，與以前相比，現在來圖書館借書的學生越來越少了。以前，下課時間時會有二、三十個學生借書，而現在只有一、兩個。如果他能對那些不常來圖書館的學生們說一句話，他會說：「圖書館就像一片值得探索的森林，充滿了知識。如果你想學習任何東西，都可以來圖書館。」

張慧如

張女士是西苑的特教組組長，她在這裡工作了21年。她受到了姐姐的影響因為她姐姐就是一名特教老師。因為教育環境中缺乏特殊教育的教師，她剛從大學畢業時，就受到啟發，立志成為一名特殊教育教師。她的工作與常規教學不同，因為學生需要特殊照顧。特殊教育教師需要對學生的課程內容進行特別調整。例如特殊教育教師會根據學生的程度和學習速度調整課程計畫。儘管台灣的整體環境和教育部都給予支持，但在融合教育方面，特殊教育教師仍面臨許多挑戰。最近的學生有點難幫。這讓她有點累，但她會繼續下去。她身為特殊教育教師最難忘的經驗是，有些學生為了逃課而躲進廁所。她不得不把每個洗手間都找一遍。作為一名女教師，她有時甚至不得不進入男廁與他們交談。現在她對西苑的廁所聊若指掌。“我們常常覺得特教學生在學習上有問題但其實他們的智力跟我們一樣但他們只是用不同的方式看世界因此才顯得與眾不同”

LILY	Lily的目標是通過英文檢定GEPT。這不僅是對她的挑戰，也是證明她能力和信心的一種方式。為了做好準備，她每天努力學習。她背了很多英語單字，練習寫作和口語，並透過看英語電視劇來增進自己的英文能力。雖然有時候很艱難，但她從不放棄。當她處境困難時，她會盡力解決問題，並向他人尋求幫助。她的國中英語老師給了她很大的啟發，她總是告訴Lily要相信自己。Lily認為未來的自己會為自己所做的所有努力感到自豪和感激。透過這次經歷，她瞭解到成功來之不易，需要耐心、努力和堅強的心才能繼續下去。
TURTLE	Turtle 是我的朋友，他是一個很酷的男孩，最喜歡的運動是羽毛球。從國小加入羽毛球社團開始，他就深深愛上這項運動，雖然需要付一點費用，但他覺得非常值得。他每週固定打三次羽毛球，每次打球都感到快樂又放鬆。曾經比賽時不小心受傷，腳趾紅腫，但很快就恢復了。對他來說，羽毛球不只讓身體更健康，也讓他感到自由，是生活中不可或缺、像朋友般重要的存在。
NANA	最喜歡的愛好是聽音樂。她喜歡搖滾樂，她最喜歡的樂隊之一是一個叫「Ghost」的瑞典樂隊。她最喜歡的歌曲是《十字架上的瑪麗》。當她聽的時候，她感到非常興奮。這也有助於她釋放壓力。她從小學六年級開始聽音樂，因為她的英語老師喜歡聽音樂。她的老師有時會在課堂上為他們播放音樂。聽搖滾音樂讓她更加熱愛音樂。現在，她幾乎每天都聽音樂，無論是學習、走路還是只是在家裡放鬆。對她來說，音樂不僅是一種愛好，也是一種表達自我和尋找和平的方式。她相信音樂可以連結人們，讓生活更加豐富多彩和有意義。她希望有一天「Ghost」有機會在臺灣演出。
STEVEN	Steven林聿耘是一個凡事追求完美的完美主義者，就像踢足球和畫畫時，他總是在想著如何做的更好。 因為這種性格，他總是想做好所有事，哪怕這不僅僅是他一個人的任務也希望能如此。國中時，他和他的組員要做一個小組作業，但是合作沒多久，他就發覺他們做的並不如自己想要的那般完美，效率也不是很好，於是他就獨自包辦了整組的工作，包括做簡報和上臺報告之類的。他感到筋疲力盡，但他不知道怎麼跟他們溝通也不想跟他們溝通，所以就一直持續這個情況直到某天.....「你為什麼每次都不跟我們討論就自己一個人默默做完報告？你討厭我們嗎??？」他又一次把完美的簡報呈現給大家時，其中一個組員突然說。「不是！我.....我只是想要做的更好，但我不知道該怎麼說，也不想把我的高標準放在你們身上.....」「你可以說說看嘛！說出來就好了啊！我們都會試著接受的。我們都知道你做的很好，但我們也想為這個團體貢獻一些努力！」 後來，他開始試著跟大家溝通，也願意讓組員做些簡單的部分。從那時起，他開始明白一件事--完美主義並不是一定要將所有事全攬在自己身上，也許偶爾可以不用獨自扛著，也許偶爾可以有一點點瑕疵。與人團隊合作將會是他未來一個需要持續學習的重要課題。

AMELIA	Amelia最喜歡做的事是畫畫。她在兩年前開始學習怎麼畫畫。她開始畫畫是因為她想畫出她喜歡的動漫角色。她會從YouTube或者Instagram上練習畫畫。她最喜歡的YouTuber是yuyuharu_Art，因為她喜歡他的畫畫的風格。當她在畫畫時，她會試著畫到和原圖很像。當她畫完這幅畫後，她會感到非常有成就感。當她在畫畫的時候，她會感覺到非常放鬆和享受。她覺得畫畫對她來說很重要，因為學校的課業壓力很重，而且這是其中一個可以讓她放鬆的事。Amelia覺得學校可能只會專注在學業，所以找到一個自己喜歡的嗜好是很重要的。她覺得興趣不僅可以幫助減輕壓力，也能使人們稍微放鬆一下。放鬆也可以使人們更專注在自己的課業上。
WENDY	Wendy 希望未來能成為一名藥師。她在國中三年級時決定走上這條路，因為每次到社區醫院拿藥時，藥師為她準備的藥物都幫助她康復。這讓她覺得藥師非常可靠，也因此希望自己將來能成為一名藥師。為了成為藥師，Wendy 計畫就讀自然組，在學校學習更多與化學相關的知識。課餘時間，她也閱讀許多關於藥師的資料，並參加了一些藥學營隊。在醫院工作的藥師負責調配藥物，並回答病人關於用藥的問題。Wendy 希望未來能在社區醫院工作，就像當初影響她的那位藥師一樣。她相信，成為藥師的過程以及成為藥師後的工作都會非常辛苦，但她希望能幫助更多的人，也認為這份努力是值得的。她期許自己未來能成為一位對他人產生影響、並且真正幫助到別人的藥師。
EASON	Eason喜歡數學，因為解題能帶給他巨大的成就感。國中時，他就夢想成為工程師，將來去美國工作，因為工程師收入很高。他認為，只要努力學習，考上好大學，就能更容易成為工程師。所以，他拼命學習數學。他也明白，工程師的工作非常耗費腦力，也很累人，但他還是想成為工程師。我問他：「如果你沒能成為工程師，你會做什麼？」他說：「我會成為一名律師，因為我對法律也很感興趣。」我又問他：「你為什麼想去美國工作？」他說：「因為在美國，我的薪水可能會更高。」工程師和律師都是很辛苦的工作，需要付出很多努力。所以，如果你想實現夢想，就必須努力奮鬥。
ASHLEY	Ashley喜歡彈鋼琴。她已經彈鋼琴12年了。這非常長。我猜她一定很喜歡彈鋼琴。直到現在，她仍然每天練習鋼琴。雖然她每天練習鋼琴，但她從不感覺到累，當她在彈鋼琴時，她總是覺得很快樂，因為彈鋼琴可以幫助她去忘記一切煩惱。 當她遇到困難時，因為她的媽媽也會彈鋼琴，所以她也會去求助媽媽幫她解決問題。因為她的努力，直到現在她贏得許多獎項。不僅如此，她還在持續的前進。這種永不放棄和享受彈鋼琴的精神，非常值得全世界去學習。我們希望她能夠持續做的更好。然後我們也可以學習這種精神並好好利用在我們身上。

RYAN	Ryan 最大的挑戰是使用手機的時間。他認為手機使用時間非常難以控制。他想要控制手機使用的原因有兩個：第一，他的成績逐漸下降；第二，他不希望自己沉迷於網路世界，因為這真的會傷害他的健康。在改掉手機成癮的習慣之前，Ryan 一回到家第一件事就是拿出手機。他常常在睡前滑手機，甚至還沒吃東西就一直使用手機。然而，手機真的很難限制，因為裡面有很多遊戲和有趣的內容。那麼，他為什麼還是想要改變呢？因為他希望能提升自己的成績。為了達成這個目標，他規定自己一定要先完成作業，才能使用手機。最後，他成功達成了目標，父母也為他感到驕傲。此外，他也逐漸變得更加有自信。
KAI	Kai的興趣是聽音樂，尤其是嘻哈音樂。他認為嘻哈音樂很有吸引力，因為這是在談論現實問題。他最喜歡的藝人是Thome，因為Thome的歌曲很情緒化，而他沒有去過演唱會。他希望能去那裡感受能量和氛圍。嘻哈對Kai的影響很大。這對他來說不僅是一種娛樂，更是一種靈感。他說嘻哈激勵他成為嘻哈歌手。對Kai來說，音樂不僅是一種愛好，更是他生命中力量和創造力的來源。
EMMA	Emma 希望未來能前往許多不同的國家，因為她想更深入了解其他國家。美國是一個非常大的國家，而她對到美國的迪士尼樂園旅遊特別感興趣。她希望能有一趟美好的旅程，並了解當地的文化與風俗。為了達成這個目標，她會更加努力學習英文，並嘗試存錢。就目前而言，她的英文能力正在進步中。她認為自己有可能在大學期間，或是大學畢業後實現這個目標。當她達成這個目標時，她相信自己一定會非常開心。從她的故事中，我學到一句話：「有志者，事竟成；無志者，困難重重。」我認為我們每個人都需要一個目標來推動自己進步，而在追求目標的過程中，我們也能學到很多東西。
AINIE	Ainie 是一位學生，她心中有著強烈但卻令人沮喪的對自由的渴望。她的家，可以說，與其說是天堂，不如說更像一座牢籠。她經常坐在房間裡，思索為什麼她的家會變成這樣。她面臨的限制非常多。每當她要出門，她都必須向父母提供一份詳細的計畫：時間、確切地點，以及所有朋友的名字。此外，她的父母在她讀小學時就過度擔憂，但他們當初如此擔心的原因至今仍是個謎團。Ainie 發現反抗是沒有用的。她試圖爭論，但結果只是引來更多的規矩。違反規則的後果總是嚴厲的責罵。她覺得父母現在只是把她看作一個叛逆的孩子，而不是過去那個聽話的孩子。她渴望改變，但仍在努力尋找正確的溝通方式。她希望有一天，他們能成為一個正常、溫馨的家庭。

JERRY	最喜歡的電影是《復仇者聯盟4》，因為這部電影人物眾多，故事精彩，劇情引人入勝。他尤其喜歡《復仇者聯盟4》中的鋼鐵俠，因為鋼鐵人拯救了許多人，並做出了犧牲。這部電影深深打動了他，讓他深受震撼。他一遍又一遍地觀看這部電影，想要了解更多細節。在反覆觀看之後，他意識到自我奉獻的重要性，也明白了人與人之間應該互相幫助。
ALICE	Alice最喜歡的興趣是看動漫。她最喜歡的動漫是《鏈鋸人》。為了表達對這部動漫的熱愛，她今年在名為「CWT」的動漫展上扮演了她喜歡的角色「蕾潔」。蕾潔是一位有著紫色頭髮和綠色眼睛的美麗女孩。Alice喜歡蕾潔是因為她覺得這個角色很可愛，而且個性活潑。當然，第一次嘗試肯定不會一帆風順。她沒能把假髮剪好。而且，因為是第一次cosplay，她也沒有太多道具可以使用。但這些困難並沒有阻止她去做自己喜歡的事。她不斷學習如何做得更好，讓自己更像角色。幸運的是，她第一次嘗試就非常順利。完成第一次cosplay後，她雖然覺得很累，但卻很有成就感。她從經驗中學到教訓，決定下次做得更好。成功就是在一次又一次的失敗中跌跌撞撞，卻始終保持熱情。
JENNY	Jenny 喜歡跳舞，她已經跳了兩年。讓她感到成就感的其中一件事，是當她完成一支舞曲時。在這個過程中，她學會了永不放棄——只要堅持，就會成功。Jenny 跳舞，是因為她有一位偶像 Aespas Karina。她在 2024 年於 Instagram 的 Reels 上看到 Karina 演唱單曲《Up》，並被她的舞蹈和歌聲吸引。因為她的偶像——Karina，Jenny 將來想要去韓國，並且她會先學韓文！Karina 給了她很大的啟發。她很欽佩 Karina 的自信和強大的舞台氣場，這也激勵 Jenny 每天都變得更好。
DORIS	Doris的興趣是看動漫和打遊戲。他從國中的時候開始看動漫,當他看動漫或打遊戲的時候，他會覺得很刺激、興奮。他最喜歡的動漫是排球少年、最喜歡的遊戲是戀與深空，因為它們的劇情都很精彩。看完排球少年之後，他想要嘗試打排球！自從喜歡上這部動漫和這款遊戲後，他會開始買相關周邊，每次去快閃店都會花掉1000元。只要喜歡的動漫有出電影，他一定會去看，因為電影院的螢幕很大，能帶給他身臨其境的體驗。動漫和遊戲對Doris來說非常重要，它們能在他心情不好的時候讓他感覺好一點，是他生活中不可或缺的一部分。如今學校只注重課業，我認為找到自己的興趣很重要。興趣可以幫助你釋放壓力，並給予前進的動力

ALICE	Alice的興趣是畫畫。她從小就有在畫畫，但她開始認真學習的時候是在國中三年級時。原因是因為她想畫出她最喜歡的動漫角色。然後她認為繪畫中最難的部分是素描。她學習畫畫的方式是透過觀看許多關於繪畫的影片並做大量的練習。她非常努力、投入很多時間跟心力練習只是為了能夠畫出一幅令人滿意的畫。雖然一開始很難，但她沒有放棄並一直在練習來提高她的繪畫技巧。當她最終完成一項作品時，她感到很有成就感和快樂。雖然她還沒有最喜歡的作品，但她確信如果她繼續努力的話，她將來能夠創造一份。從頭開始學習一些東西很困難，但她沒有放棄精進自己的技巧，所以她現在變得很擅長。
ZOEY	Zoey趙品毓最喜歡的偶像是BLACKPINK的Rosé，他喜歡Rosé已經超過5年了，Zoey覺得他的生活不能沒有Rosé。在Zoey知道Rosé之前，她的生活中沒有目標並且很無聊，但現在他開始追星，生命中多了一束光並在Rosé身上學到很多。Zoey說：「Rosé很辛苦，所以我也想要像她一樣成為認真努力的人。」在10月18日Zoey去了BLACKPINK的演唱會，演唱會非常精彩，他們還表演了他們的新歌，Zoey不敢相信他終於親眼看到他最喜歡的偶像。演唱會之後，Zoey更加堅信自己要成為一位像Rosé一樣成功的人。Zoey很開心Rosé進入了她的生命中並激勵她成為更好了人。
DORIS	Doris最引以為傲的事是她會演奏笙，一種中國傳統簧樂器。她學習笙已經超過八年了，起初，她學習它只是因為媽媽想讓她學習一項新技能，隨著時間的推移，她發現自己非常熱愛這個樂器，笙的音色清脆柔和，演奏時，她感到平靜祥和。幾年前，她在市級比賽中獲得了一等獎，雖然聽到這個消息時她已經有所預料，但聽到獲獎感言時，她仍然非常高興和興奮因為她為此付出了很多努力。即使她因為這項技能未來的就業機會有限而不再打算繼續學習，她仍然非常熱愛它。過去八年裡，她學到的遠不止音樂技能。她領悟到的其中一點就是：無論多麼艱難，都要堅持做自己喜歡的事。
WILLY	Willy 是一名就讀於 Shi Yuan 的學生，他最喜歡的科目是歷史。學習歷史對他來說非常有趣，他認為歷史英雄既勇敢又令人著迷。因為他對歷史有著濃厚的興趣，他在歷史考試中取得了優異的成績。Willy 是一名就讀於 Shi Yuan 的學生，他最喜歡的科目是歷史。學習歷史對他來說非常有趣，他認為歷史英雄既勇敢又令人著迷。因為他對歷史有著濃厚的興趣，他在歷史考試中取得了優異的成績。Willy 最喜歡的歷史事件之一是楚漢之爭。他非常敬佩項羽，認為項羽在楚漢之爭中表現得十分英勇。雖然項羽最終失敗了，但他永不放棄的精神和勇敢的品質深深打動了 Willy。Willy 認為項羽最大的優點就是勇敢。楚漢之爭講述了劉邦和項羽之間的戰爭故事，Willy 覺得這個故事非常精彩，尤其是項羽親自率領軍隊上戰場這一點。Willy 認為歷史非常有趣，他經常在空閒時間閱讀許多歷史書籍。他希望將來能成為一名歷史學家，大家也相信他有一天一定能夠實現這個夢想。他努力學習歷史，值得我們學習與敬佩。

TING XIAN

Ting Xian的興趣是跳舞，她學了五年了，她會開始學跳舞是因她他覺得很酷而且有成就感。她喜歡Hip-hop還有K-pop，她的最愛是Hip-hop然後她喜歡和朋友們一起跳舞。她幾乎每天都跳舞，雖然每天跳舞會影響她的課業，但它有助於她緩解壓力。跳舞讓她成長了很多，也讓她更有自信，遇到難的舞步，她會努力學習盡力做到最好。跳舞不僅僅是一項活動，它還讓她學到了更有耐心 自信和永不放棄。

JANE

Jane 是一位很酷的女孩。她有許多興趣，像是跳舞、閱讀和運動。不過，最特別的是，她最近參加了一場台語比賽。在家中，Jane 的父母平時都使用台語交談，因為他們認為台灣文化非常重要，也不希望台語逐漸消失。在這樣的環境中，Jane 的台語能力慢慢地越來越進步。在國小三年級時，她的台語老師詢問她是否願意參加比賽。Jane 答應了，而距離她第一次參賽，至今已經七年了。這項比賽主要著重於台語的發音與語調。練習的過程非常辛苦，因為發音和語調涵蓋的內容很多，唯一的方式就是透過大量練習來累積詞彙、提升能力。她的努力最終得到了回報。Jane 曾四次獲得台中市第一名，也三次拿下全國第一名。從國小到高中，她學到了很多，也留下了許多難忘的回憶。例如，因為經常需要前往培訓營練習，她常常無法待在學校上課，這也迫使她更有效地運用有限的時間。最重要的是，參加這些比賽讓她學會了一件事：「努力終究會有回報。」她非常感謝並珍惜這些美好的回憶。

**Thank you to Terrence and Lulu for helping
me bring this project to life.**
